Telis Composio RTS

Your Attention PLEASE

It's so easy,
it's SOMFY!

Telis Composio RTS

- A.** Would you like to control all your house openings while sitting on your lazy boy chair from your favorite spot of the house, with a small effort as pressing the button ?
- B.** Would you like to have an affordable solution, low as 5% of the cost of any dynamic facades system, and with NO wiring ?*
- C.** Would you like with a simple remote control to meet all your house needs and simplify your life ?
- D.** Would you like to have the power to control your artificial light & benefit from the natural light at the same time ?
- E.** Do you think you are ready for new & innovative ideas like the above mentioned at your own living area ?

Send us your house diagram, and we will quote you the solution

* Regular dynamic facades cost \$6000, Composio costs \$300

It's so easy,
